**SRI KUBERA CONSTRUCTIONS PVT.LTD.**  
(Formerly Known as Parikh Constructions Pvt. Ltd.)

# About Us

Sri Kubera construction is a name behind the numerous projects across the many states of India and especially major Districts in Maharashtra. Starting from scratch in a small city the company has now spread its wings all over India with successful completion of more than 300 projects, costing more than Rs. 10 billion in worth.

Founders, Employees & every associate have been concreting this company brick by brick since 1990 through committing Unquestionable loyalty towards its clients and diligent performance.

The family-based firm is grounded to its roots and headquartered at Sangli, Maharashtra. As The “Sri Kubera Construction Pvt. Ltd.” (Formerly known as Pareek Constriction Pvt. Ltd.). Having building construction as forte the company is now focusing to excel in Road construction, water supply & sewer, Bridges, Railways & major earthworks in the coming future.

**The company is honored to get to work on a project which has been awarded with the four-star rating GRIHA award first time ever in the country for the campus project for Maharashtra State Police Housing welfare corporation Ltd. mumbai.**

The company has always contributed its funds, consultation & manpower for the work of the charity like the construction of Orphanages, wellness centers, religious places, and in the face of calamity. The company also runs a handicapped rehabilitation center named “Apang Seva Kendra.

From the last 30 years company has consistently overcome Rains and heats and always thrived out of the worst condition with its humble and righteous approach.

With a motto of delivering quality within time , we are equipped with qualified staff who are well versed with nuances of the field. The machinery used by us is latest and advanced and we are fast to adapt to newer & better technology & techniques.

You Visualize, We Concretize

# Establishment

Our firm has been in the business of construction from last 30 years. We have executed various types of projects both small and large in magnitude. We have successfully completed the projects in the following typologies.

Industrial

Residential

Institutional

Healthcare

Corporate

Others

## Empowerment :

Despite flourishing financially our founders never accumulated wealth for self-serving instead maintaining frugal lifestyle focused on the upliftment of the company by increasing capital & empowering workers and vendors financially and technically Our company has been a source of inspiration for a lot of local contractors and consider us in very high regard due to our right code of conduct and a humble attitude. We believe in joining hands and empowering each other not only financially but also on intelligence & technical level while conducting any sort of business.

## What lies ahead?

We are determined to achieve the milestone of 1 Billion turnover this year & turnover to Rs. 5 Billion in coming 5 years.

We are committed to provide more than 5000 jobs related to our industry in coming future.

Using our widespread networks we are determined to diversify our portfolio by starting the manufacturing of Steel, Aggregates & RMC.

We are planning the development of our land assets at a prime location in our city.

We handle every project with a strong principle

*“Quality in Time”*

We are known for building the most advanced facilities for our individual, corporate, institutional, industrial, and government clients. We accomplish each and every project with topmost quality in the stipulated time by following :

- A thorough study of Drawings
- Advance & Micro Planning.
- Site supervision.
- Safety precautions.
- Project monitoring.
- Wastage control.
- Prevention of excess material consumption than required.

We are confident and capable of doing all kind of civil projects and executing within the given time frame with quality work. Our experience combined with a highly knowledgeable and experienced staff of 75+ Engineers & 2000+ skilled workers provides an extremely professional and competitive approach.

At KUBERA we have our own fleet of plant and equipment such as (our owned & rented fleet)

Excavators

RMC Plants

Transportation

Heavy machinery

which gives the ability to complete every project very aggressively in terms of our pricing & time structure.

#### Safety :

Workers' safety has been on the priority for us. We ensure proper safety measures during construction. Along with workers, site engineers and other superiors are also follow the required safety measures.

#### Quality :

We have highly qualified staff with the quality maintenance team which ensures the quality of the project within budget. Quality in the stipulated time is been our Moto.

Our success is driven by our promise to deliver quality projects like Bungalows, Commercial complexes, Hospitals, Residential Complexes, Administrative campuses, industrial & warehouse complexes including all infrastructure and MEP work, safely, on time ,quality work and within budget. Based on our network of expertise we keep our finger on the pulse of development. Thus we meet the challenges both of new technologies and of the future.

Our persistent efforts have recorded a turnover of nearly Rs. 600 million for the 4-5 year with currently having more than Rs. 3.5 billion government construction works in hand.
